I can provide you with all filings, service records, and supporting documentation. My response is due by September 15, so I am hoping to retain counsel by then. At present, I have already prepared motions contesting jurisdiction and improper service. I would like your guidance on the best strategy going forward and whether you are willing to take on this matter.

Thank you for your time and consideration. I look forward to your response.

Sincerely,  
Kiandria Demone Boyce
